Evaluation Criteria:

Our Recommended Games list includes casual board games that pass our evaluation. To be included, a game must meet the following criteria:

- Publisher-specified game length is 60 minutes or less
- Set up and taught in about 10 minutes or less
- Minimum of 1 strategic or tactical choice during every game turn or round
- Generally inoffensive theme and content (G or PG rating)
- No depictions or descriptions of **only** kids playing the game
- Not a "Junior" version or clearly marketed to children
- Professional production quality
- Currently on the market in the English language
- MSRP is \$50 or less
- Game rating by casual game evaluators is 7/10 or higher
- Can be reasonably considered as a "casual" game
